Virtualna konsultacija o kontracepciji

- ▶ Polaznici moraju donositi odluke s kojima bi se morali suočiti tokom konsultacija o kontracepciji u stvarnom životu, uz trenutno davanje povratnih informacija i referenci koje objašnjavaju ispravnost postupka.

The screenshot shows a web-based virtual consultation interface. At the top, there is a navigation bar with tabs for 'Initial visit', 'Report building', 'Exploration', 'Decision', and 'Information'. The 'Exploration' tab is currently selected. Below the navigation bar, the main content area displays a question: 'Your client would like to choose combined oral contraceptives. What additional information would you need in order to determine if your client is medically eligible for this method?'. To the left of the question, there is a list of medical history questions: 'Does she have migraines with aura?', 'Does she have a family history of Deep Venous Thrombosis or Pulmonary Embolism (DVT/PE)?', 'What is her Body Mass Index (BMI)?', 'Did she have Deep Venous Thrombosis or Pulmonary Embolism (DVT/PE) during pregnancy or puerperium?', 'What are her blood pressure values?', and 'Did she have any abortions?'. To the right of the questions, there are three colored boxes representing levels of importance: 'HIGH IMPORTANCE' (orange), 'MODERATE IMPORTANCE' (yellow), and 'LOW IMPORTANCE' (green). At the bottom of the interface, there is a 'VIC' logo, a 'FILE' button, and a 'PREV' button. The interface also includes a breadcrumb trail at the top: 'Home > My VIC > Events > My Courses > This course > About VIC'.

The screenshot shows the homepage of the Virtual Contraceptive Consultation (ViC) website. The header includes the 'ViC Virtual Contraceptive Consultation' logo, navigation links (Home, Kontrolni panel, Events, My Courses, O ViC-u), and utility links (Hide blocks, Full screen). The main content area features an 'ANNOUNCEMENTS' section with a 'Dobrodošli u ViC' message and a word cloud of contraceptive methods. Below this is a paragraph in Serbian explaining the ViC program as an interactive educational package for family planning, developed in collaboration with UNFPA and the East European Institute for Reproductive Health. A 'Verzija na srpski jeziku je u razvoju' (Serbian version is under development) badge is present. The 'Pregled kurseva' (Course Overview) section shows a course titled 'ViC Srbija Srpski' with a progress indicator at 0%. The right sidebar contains 'Site News' (no news added), a 'Kalendar' (calendar for March 2020), and a 'Navigacija' (Navigation) menu with links to the control panel, home page, site pages, and courses, including 'ViC Srbija Srpski'.
